

Darlow Rosettes Product Information Sheet Jan 2016

Product; Rosettes

Colours & Ribbon

- You can choose from all our stock and fancy ribbons on most rosette
- On 2 tiers and above you can choose any combination of colours at no additional cost (fancy ribbons at extra cost)
- On 2 tier rosettes and above a tier of fancy ribbon can be added to tiers of standard ribbon.
- Additional colours and fabrics are available, including super soft & pantone matched ribbons – please ask our sales department for details.

Sizes & Dimensions

Available in 3 centre size's

1. As standard, which is 50mm
 2. King-size which is a 70mm
 3. Oval – this can be horizontal or vertical
- Rosettes are available up to 4 tiers in each centre size (larger sizes are available to order)
 - Tails are 25mm wide as standard.
 - 36mm tails are optional (Some ranges have 36mm as standard) and both can be as long as you want.
 - Additional tail strips can be added & mixed width and length tails can also be accommodated.
 - Tails will be cut into a V however you can ask for straight cut or pinked tails.

Please consult our dimensions section for standard product sizes.

Printing

- Metallic gold printing of customers text is included in the basic cost of the rosette and is our default method of printing
- Full colour centre printing (at no additional cost) is now available on all rosettes
- All Centres are printed digitally and can include logos or other images as well as text.
- You can add 1 x stock logo to your order free of charge (Additional stock logo's will be £3.00 each)
- New Customer Logo's cost £4.00. A Proof may be supplied on request and will be charged £4.00 on orders under £100 (includes an additional proof if required) Further proofs will be charged at £4.00 per proof. Proofing and artwork charges may also apply on larger, complicated orders.
- You may choose a centre layout style (1 per order) if you wish – if not Centre printing will be laid out by our experienced printing team to best effect.
- Tail printing is available on all rosettes using our standard ribbon.
- Tails are printed in metallic gold – other colours available.
- Tail Printing can also include a logo as well as text. It may be necessary on occasion to alter tail lengths or ribbon colours to best suit the print requirements and we will advise where possible.

Fixing

- Standard fixings are safety broach pin (when people want to wear the rosette) or a bridle clip. You can also have a sticky pad at additional cost. Tapes are available as a no cost option.
- Rosettes will have a Darlow Rosettes branded back on them which is not visible when worn. You may have a non- branded back, but you must tell us when you order and this will incur a 5p per rosette charge.
